

Bracco Italiano Club of America Mentors and Friends

The Bracco Italiano Club of America (BICA) has a myriad of people who love the Bracco Italiano dog. We, as a club, encourage mentorship, friendship and a sense of belonging. The BICA provides the network to connect the fanciers to form a chain of support and common interest dedicated to the preservation of the breed we hold so close to our hearts.

We, as members share in the excellence of a new litter, comfort each other as a dog tackles health problems, debate structure of dogs, and discuss upcoming events. Our breed continues to improve and move forward because each member contributes a unique vision and perspective.

The BICA provides a venue that allows breeders and owners to contribute freely any information relevant to the breed. It is through a conglomeration of ideas that you, the new member, will formulate your plan for the betterment of the breed we so dearly love.
